

# Mt Kanwary Public School Wattles Excursion

to  
*Raymond Terrace Library*

*Written by Wattles Class of 2011*

On Monday we went on a bus because we were going to Raymond Terrace Library. The bus came late. Mrs Johanson made a couple of phone calls to change the time. The bus driver's name was Harry.

Abbey M.

We lined up on the snake and Mrs Johanson was sad because we didn't line up properly. Before we lined up, Mrs Johanson told us some safety rules so we could get on the bus right.

Jake and Alice

We were getting on the bus. We sat together. We were talking. Mrs Johanson counted us on.

Charlotte and Olivia

This is Nathan and Charlotte and all of the rest of the class. Some people had friends and some people sat alone. There were empty seats.

Matthew and Paulo

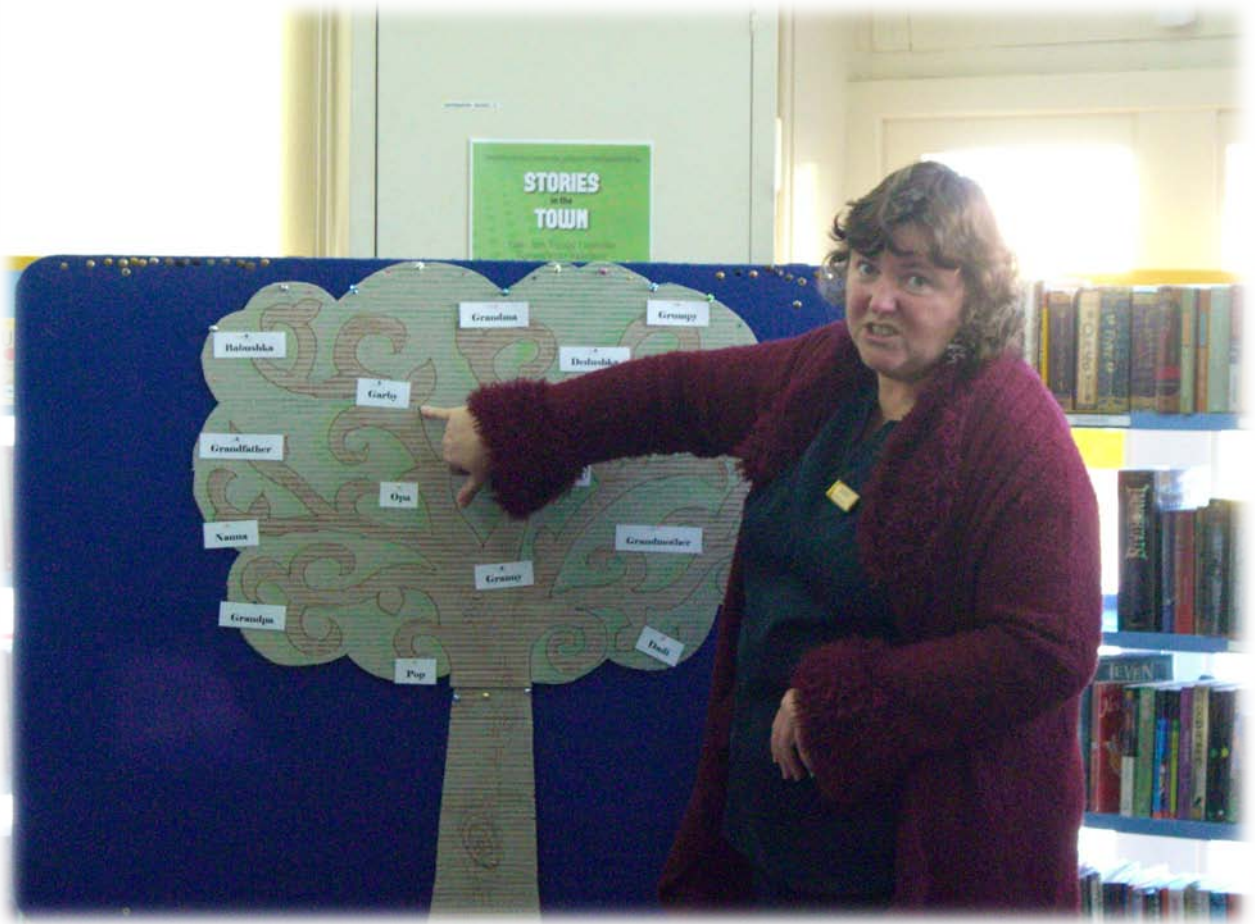

We were getting off the bus. We lined up at the library.

Machai and Jack

We sat down. Then we read a book.  
The book was called, "Two Peas in a  
Pod" and "Family Forest".

Abbey L and Kayla

Annette was showing us different names for Grandma and Grandpa on the family forest tree.

Shivohn

This is Helena and Annette reading us "Mirror". It doesn't have any words. It just has pictures. It shows us what we do in Australia and in Morocco. It was nominated for an award. It won.

Tim

At the library we played "We're going on a bear hunt". Helena was the bear. I had fun. We walked in a circle and then we had to run and shut the back door.

Cody

This is a photo of Wattles and our teacher is in the photo. We were waiting for the bus to come and get us.  
Nathan

We were going to school again and Mrs Johanson counted to 17. We had fun on the bus. We talked to each other and saw cows in the paddocks.
