Public Speaking

Public speaking is the process of performing a speech to a live audience to inform, persuade or to entertain. Students have begun presenting their speeches to their class this week, we have already been highly informed and entertained! A student from each stage will be selected to present their speech to the whole school from 3:00pm on Wednesday 14th June. Parents will be notified if their child is to present their speech to the whole school.

We are looking forward to all of the students dressing-up on this Thursday (8th June) for Pirate day. Students are asked to bring along a gold-coin donation in support of Children's cancer.
